Attention-Mr. Sidney Noe, Secretary.

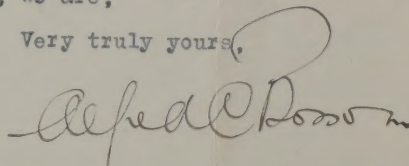

Gentlemen:

I have been away to Texas and Louisiana and have just returned and found how exceedingly kind you were in giving to Mr. Brenner some plaster reproductions of various famous coins.

I first of all want to apologize for not thanking you for these before, but I do want to do so now most heartily and to let you know that it is going to make the ceiling of the Charlotte National Bank where these are going to be used very interesting and that it will be unique among banks. I do trust that you will excuse the oversight in not thanking you before but do please allow me now to let you know my feelings in this connection.

Thanking you, we are,

Very truly yours,

ACB/GC

P. S.-- Would you also mind conveying to Mr. Weinman my really genuine appreciation of his real kindness.

BANK AND OFFICE BUILDING  
SPECIALIST

Jan. 26, 1921.

Mr. Arthur Crawford Wyman,  
Assistant to Curator,  
Museum of American Numismatic Society,  
Broadway & 156th St., New York City.

My dear Mr. Wyman:

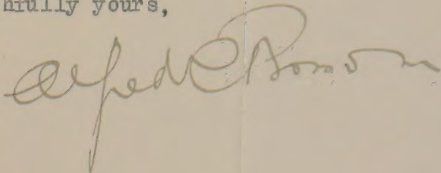

I want you to accept my very sincere thanks for the really exceedingly great amount of trouble you went to in getting the impressions and collecting the historical data regarding the coins for Mr. Brenner.

I don't know if you are aware, but Bankers throughout the country have a very deep interest in the subject of numismatics and yet by coincidence they seem to be quite ignored. Repeatedly Bankers have asked me, Is it possible to obtain for them some really accurate data regarding illustrations of coins? From now on I can say this, I will have no difficulty whatever in satisfying their requirements, which is due entirely to the very great trouble you have gone to in this connection.

Please do accept my very genuine thanks for this, and if I can ever reciprocate in any way I would take it as a great pleasure if you will give me the opportunity.

Faithfully yours,

ACB/JP.
